Hello!!!

The 19<sup>th</sup> Anniversary of the Wenatchee River Salmon Festival is almost here and we invite you to be our guest! We also would like to ask your help in "getting the word out" about all the fun that everyone can have. It's affordable (no admission or parking charges), easy to get to, and located just down the street from the beautiful Bavarian village of Leavenworth.

Please give me a call if you have any questions about the Wenatchee River Salmon Festival, or you would like to have a tour arranged for you. Again, Thank you for helping us spread the word about this award winning and fun festival!!

Sincerely,

Susan C. Peterson
